

NO	ID	Title
Biotechnology and Genetic Engineering		
1	1-A29	Sustainable Development of Modified Cassava Flour (Mocaf) Production to Decrease Import of Wheat in Indonesia
2	1-A41	Effects of Gamma-Ray Irradiation on Growth and High Yield Character of Bambara Groundnut ( <i>Vigna subterranea</i> (L.) Verdcourt) In M <sub>2</sub> Generation.
3	1-A47	Inheritance of Phenotypic Characters on Hybrid Chickens ( <i>Gallus gallus gallus</i> , Linn 1758.) Derived from Crosses between ♀ Broiler Cobb 500 with ♂Pelung Black Cock
4	1-A75	Inheritance of Phenotype Character on Hybrid Chicken ( <i>Gallus Gallus GalZlus</i> , LINN.1758 ) F2 Derived from ♀ F1 kamper and ♂ F1 Kamper
5	1-A80	Morfoconservation Mapping: Conservation Programme Based on Geospasial Data to Create the Sustainable Land Management (Study Case: Watershed of Bompon, Magelang)
6	1-A82	Phenotype Character Improvement on Local Hybrid Chicken through Cross Breeding in Effort to National Food Resilience
7	1-A05	Conversion of Gliserol as Cetane Booster on Biodiesel Synthesis Based on Green Chemistry
8	1-A19	Effect of Plasticizer and Chitosan Composition on the Plastic Biodegradable Quality from Starch Cassava Rubber ( <i>Manihot Glaziovii</i> ) as Alternative Plastic
9	1-A22	Environmental Impacts Due to Unlicensed Gold Mining in Poboya Sub District, Mantikulore District, Palu City
10	1-A90	A New Insight of Mangoesteen Ripening Stages Using Metabolomics Approach

NO	ID	Title
Chemical Biology		
1	2-A26	Antimalarial Potency of Agarwood Leaf ( <i>Aquilaria Malaccensis</i> Lamk.) Methanolic Extract on Parasitemic level of <i>Plasmodium BERGHEI</i> VINCKE & Lips in Mice ( <i>Mus Musculus</i> L.)
2	2-A31	Development of A New Drugs by Modifying Chalcone Derivatives in An Effort to Increase Anticancer Activity in Breast Cancer
3	2-A63	Microalgae-Based Biodiesel Production as Renewable Energy Resource in Indonesia
4	2-A63	Total Phenolic Contents in Whole, Refined and Rice Bran Three Locally Cultivars of Indonesian Black Rice ( <i>Oryza sativa</i> L.)
5	2-A70	Characterization of Anatomical Structure and Antioxidant compounds in Melinjo ( <i>Gnetum gnemon</i> L.) Based on the Stage of Seed Maturity.
6	2-A85	The Effect of Light and Oxygen to Grow of Fungus in Fulvic Acid Solution of Gambut Soil of Rawa Pening
7	2-A14	Electrochemical Immunosensor for HER2 Detection Based on Anti-HER2 Cerium Oxide Nanoparticles Bioconjugate
8	2-A39	The Effect of Copper Layer Thickness as Coating on Aluminum Surface to the Anti-bacterial Properties against <i>Eschericia Coli</i>
9	2-A62	Complexes of Zn(II) with 2-N-Salicylidene Aminopropionate Ligand as Antidiabetic Type 2
10	2-A91	New Cytotoxic Protolimonooids from the Stem Bark of <i>Aglaia Argentea</i> (Meliaceae)

<b>NO</b>	<b>ID</b>	<b>Title</b>
<b>Material Sciences and Engineering Resources</b>		
1	3-A01	Radiative Transfer Equation and Its Solution
2	3-A21	Plastic Recycling of End-of-Life Vehicle Using Combination of Raman Spectroscopy and Data Mining Techniques
3	3-A24	Potential of Garbage Can as Electrode of Simply Solar Cell based on DSSC
4	3-A64	Estimation Carbon Stock and Mapping Potency of Mangrove Ecosystem Diversity Using Geographical Information System in Biawak Island, Regency of Indramayu, West Java, Indonesia
5	3-A71	Utilization of Bagasse and Coconut Pulp as Purifier for Waste Cooking Oil
6	3-A84	Electronic Absorption and Structural Properties of Lanthanide(III) Monoaromatic Sandwich Complexes
7	3-A86	Doping Effects of Porphyrin on Polyaniline and its Dye-Sensitized Solar Cells
8	3-A87	The Decays and Structures of Charmed Baryons
9	3-A89	Formation of Large-grain poly-crystalline S1 layer on quartz by Al-induced crystallization from thin film solar cells
10	3-A92	Development of Local Mozzarella Cheese Production from Lembang Cow Milk

<b>NO</b>	<b>ID</b>	<b>Title</b>
Humanities and social sciences; Environment and social interaction		
1	4-A88	A Study of Peri Urban Air Quality and Land Use Changes Using GIS Application
2	4-A77	The Development of Marine Accidents Human Reliability Assessment Approach: HEART Methodology and MOP Model
3	4-A76	Long Term Economic Consequence of Attending Madrasah: Do Religion-Focused Studies Put Children in Disadvantage After the Implementation of Education Decentralization?
4	4-A34	The Semantic Extension of Japanese Color Terms Through the Usage of Phrasal Metonymy
5	4-A10	Optimization of the Provinces for Food Self-Sufficiency in Indonesia Using Kohonen Self Organizing Mapping (SOM)
6	4-A07	Spirituality Based Environmental Approach for Sustainable Development: the Case of Japan and Indonesia
7	4-A06	Cultural Landscape Pattern of Javanese and Sundanese Ethnicity in the Borderline Region of West Java and Central Java
8	4-A03	Exploring the Potential of Disability Inclusive Budgeting for Realising the Rights of Persons with Disabilities in Indonesia
9	4-A51	“Teman Baik” Movement: Do Not Be Afraid, Here I Am!
10	4-A66	Criteria for Making Walkable City to Achieve Sustainable Urban Design

NO	ID	Title
Humanities and social sciences; Politic and Economic		
1	4-A81	The Development of Financial Technology for Financing Micro, Small, and Medium Enterprises for Sustainable Economy
2	4-A79	Integrated Financial Accounting Recording and Reporting Platform on the Village Bureaucracy Level Throughout Indonesia in Order to Improve Internal Control, Accountability, and Corruption Practice Prevention on Grant Funds: Case Study of Dana Desa One Billion Rupiah for Every Village -President Joko Widodo Cabinet Program
3	4-A57	Trade and Environment in Indonesia: Study Case of ASEAN-China Free Trade Agreement
4	4-A55	Communication Strategy of Governmental Development in Bantaeng through <i>The New Bantaeng</i> program
5	4-A49	Application of Geographically Weighted Regression on Abating Poverty Problem in Indonesia Through 2030
6	4-A46	Poverty Alleviation Strategy with Improving Mental Health As Part of Efforts to Improve The Quality of Life of Indonesian to Preparation Face Demographic Bonus on 2020-2030
7	4-A45	Indonesian Foreign Debt Optimization by QHM-ARIMA (Quadruple Helix Model –Autoregressive Integrated Moving Average) through 2030 as Indonesian Demographic Bonus
8	4-A40	Small and Medium Enterprises towards Indonesia's Significant Role in G20 and Economic Sustainable Development
9	4-A33	Hard and Soft Infrastructure as a Trade Facilitation Indicators and Export Performance for Indonesia's Economy Sustainability in ASEAN
10	4-A20	The Significance of Community-Based <i>Ecotourism</i> in Banyuwangi to Foster Local Economy and Sustainable Development
